EXPERIENCE:

2007 – present

Red Chair Design (www.farfromclose.com/redchair) – Concord, NH

Founder / Principal

Design, construction and programming of creative websites and interactive web components. Graphic Design including gig posters and branding for bands, businesses and individuals. Providing all aspects of Web Development and Graphic Design from initial concept to final production and construction. Communicating and working directly with clients to deliver original one-of-a-kind projects.

6/06 – 01/09

Yankee Barn Homes (www.yankeebarnhomes.com) – Grantham, NH

Staff Architect

Introduced and helped transition YBH to Archicad 3D BIM (Building Information Model) software, successfully replacing 5 previously used CAD packages. Helped streamline and improve schematic, architectural and construction design processes. Produced Architectural Project Drawings for customers. Designed and introduced new building models and architectural styles (Craftsman, Greek Revival, Mountain Commercial, Victorian, Cupola, Tea House, and Garden Shed) for production and helped to expand the Yankee Barn Homes product line. Worked directly with the Technology Department to introduce and institute internet based video meetings and virtual tours of client's designs using Archicad and WebEx software.

6/01 – 5/06

GSD Associates – North Andover, MA

Intern Architect / Project Manager

Projects and Accomplishments: Preliminary design and graphics, construction documents and management of projects ranging in size from small residential additions and commercial tenant fit-ups, to large 100+ unit residential condominium projects. Actively involved in all aspects of project delivery working closely with the project Architect, various engineers, contractors, owners and planning officials.

5/00 – 12/00

ADD Inc. (www.addinc.com) – Cambridge, MA

Intern Architect

Projects and Accomplishments: City Square redevelopment, Parcels 2 & 4

CADD duties including: Retail space and circulation design; construction document creation, revision and management; elevation/material studies and façade design; schematic sketching; general office duties as related to architect/client relations.

OTHER:

Fall 2000

Plan NH Fellowship Recipient

Received recognition and grant money for excellent potential in future architectural endeavors. Received one of only four senior undergraduate fellowships for further architectural study.

Fall 1999

Academic Honor – “First Project”

Semester design project chosen by faculty and students to represent 4th year work in Norwich University’s semester design show.

ACTIVITIES:

Singer / Songwriter / Musician (www.farfromclose.com)

writing, composing and performing original songs in various New England venues and festivals as a solo performer and with a band, while managing, promoting and booking.

Independent Artist / Designer (www.farfromclose.com/art)

Organizing and hanging original art and sculptural pieces at various art galleries in Maine and New Hampshire as part of a traveling exhibition of young artists and designers. Currently working on new art pieces for exhibition and sale.

River of Grace Church (www.rogchurch.com) – Concord, NH

Music Coordinator / Leader

Responsibilities include: preparing content and schedule for Sunday morning meetings and leading the church in singing and other related activities.

Eagle Scout – 1994; Boy Scouts of America.
